FREELANCE OPPORTUNITIES:-

- Opportunities to secure freelancing projects for our module students,
- Allowing them to gain practical experience and enhance their skills in real-world scenarios.
- We are in the process of commercializing the developed project,
- Aiming to bring it to market by offering it as a valuable solution to potential clients.

THANK'S FOR YOUR TIME

*It's been overall a year working with
Saveetha University (SIMATS) it's
been a great experience and gained
more knowledge working with you.
Thankyou,*
